

## House Resolution No. 4535

**Whereas**, the members of the Missouri House of Representatives hold in high esteem those Show-Me State educational institutions that admirably allow students to obtain the knowledge, skills, and experiences necessary to become lifelong learners, involved citizens, and future societal leaders; and

**Whereas**, Saint Louis Community College will enhance its well-deserved reputation as an accessible, affordable, and diverse people's college when it holds a Dedication and Opening for the new Wildwood campus on September 14, 2007; and

**Whereas**, under the astute guidance of President Pamela McIntyre, Saint Louis Community College at Wildwood will provide area residents and the industry base with world class learning opportunities in a state-of-the-art facility that features 75,000 square feet and 24 instructional spaces containing smart classrooms, wireless connection, and ITV/computer classrooms and laboratories; and

**Whereas**, Saint Louis Community College at Wildwood offers Associate degrees in business administration, general transfer studies, and teaching and will also offer introductory career and technical education courses, developmental courses, continuing education programs, cooperative efforts with the University of Missouri-Saint Louis for upper division courses and the opportunity to complete select bachelor's degrees on site, and partnerships with K-12 school districts; and

**Whereas**, a tobacco-free campus, Saint Louis Community College at Wildwood also is environmentally friendly through green roof technology that reduces heat island effect and through a daylight harvesting system, cisterns and a retention pond to collect storm water runoff and eliminate irrigation, twenty acres set aside for permanent non-development, and electric car recharging stations in the parking lot; and

**Whereas**, the creation of Saint Louis Community College at Wildwood involved public input into its design, programs, and name, and its construction involved the environmentally sound practice of recycling or reusing more than ninety-five percent of the produced waste materials:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join unanimously to applaud the history, goals, and accomplishments associated with the Saint Louis Community College at Wildwood and to convey to all of those involved this legislative body's most heartfelt best wishes for a highly successful Dedication and Opening of the campus on September 14, 2007; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of the Saint Louis Community College at Wildwood.

Offered by \_\_\_\_\_  
Representative Timothy W. Jones  
District No. 89

I, Rod Jetton, Speaker of the House of Representatives,  
Ninety-fourth General Assembly, First Regular Session, do  
certify that the above is a true and correct copy of House  
Resolution No. 4535, adopted August 22, 2007.
